The Ins and Outs of CMAs and Appraisals

6 hrs CE, Course #31212

\$60

Whether you are experienced or new to the business, pricing a property accurately depends more than ever on professional expertise and competence, the best use of technology, and a genuine commitment to approach the pricing of a property from all viable perspectives. The goal of this course is to equip real estate professionals with pertinent information to enable them to price properties appropriately for listing or making offers. Time will be spent on actual CMAs and discussing possible outcomes. This course will help in understanding what makes an appropriate comparable, how to make adjustments and where to get information on adjustments. Course will also provide information that can be used in day-to-day
