Contracts: What You Were Afraid to Ask

8hrs. CE, course #28678

\$80

This course explores the most frequently used contract in real estate: the TREC One to Four Family Residential Resale contract. This course deliberately delves into the intricate details of this nine page document that governs the exchange of both property and money between the buyer and the seller. Agents will learn about critical dates and timeframes within the contract, as well as documents ancillary to the transaction, such as surveys and appraisals. The course comprehensively explores the transaction process and the sequence of events that lead to closing. Likewise, the course will review commonly used addenda in residential resale transactions.
