Technology has dramatically increased the amount of consumer data collected and used by businesses. Several recent high profile data breaches, coupled with a high rate of identity theft crime as made data security and consumer privacy a hot issue for policymakers in Washington. The REALTOR® code of Ethics and Standards of Practice explicitly acknowledge a REALTOR's® obligation to preserve the confidentiality of personal information provided by clients in the course of any agency or non-agency relationship—both during and after the termination of these business relationships.
