Make Technology Work for You

2 hrs. CE, course # 31678

\$20

Technology is a part of everything we do and real estate is no exception. From smartphones to tablets to social media, various technologies influence the real estate industry. Course will cover real estate technology and how to assess the trends, companies and products that will influence consumer behavior and the real estate market. With this training the agent should be able to identify and use technology to improve time management skills, overall office efficiency, and gain access to new customer markets.
