Being a real estate entrepreneur, whether you own your own firm, or you are striving to be the best agent in the business, it can be an exciting but frustrating time. This course will focus how to be a better "self-boss" on a daily basis. It will help you avoid the pitfalls of being your own boss by providing a brief overview on finding the right insurance, looking at the best questions to ask your attorney so you are prepared for that unforeseen litigation, and how to deal with the fact that you seem to have more bosses than ever from your customers, clients, family, friends, and employees or team members!
