Seller Representative Specialist Designation Course

16 hrs. CE, course #31833

\$200

Regardless of how long a real estate agent has been in the business, seller agency has been available and more importantly, it remains the primary focus for agents across the country. However, since the advent of buyer agency and the emphasis on training how to be an effective buyer representative, it has become apparent we can no longer assume seller agents have the same level of effectiveness. The Seller Representative Specialist course is a 16 hour course designed to take a new agent to an accomplished level sooner and an already successful agent to an even higher level of competency.
