How Not to "Accidentally" Practice Law Using TAR Commercial Forms

1 hrs. CE, course #34942 \$15

As a general rule, licensed salespersons and brokers are exceedingly cautious to not "practice law" when utilizing TAR Commercial forms. Yet, leases sometimes need to be altered and a licensee may need to "fill in the blank" or utilize the Special Provisions paragraph. This webinar is designed to show licensees how to properly insert factual statements into TAR contracts, and not accidentally "practice law."
